Traditional (2 years BCC, 2 years GCU) transfer students: Take the same GCU Hazlet courses as those offered as part of the 3+1 sequence, but are not limited to taking only one GCU course in the fall of the first year and one GCU course in the spring of the first year. The “2+2” program is designed so that a student enrolling with all prerequisites done and 90 credits total completed can earn the B.S. degree in one year of full-time study, or a 2+2 typical transfer student can spread the below program over two years by taking additional courses to earn the required additional credits needed for a bachelor’s degree. The sequence in Table B is one possible way a 2+2 student could complete the program. Students may take some liberal arts major and Gen Ed courses out of sequence if prerequisites have been met.

Courses are offered online, or in a hybrid format such that the course is taught 50% online using the university’s course management system to deliver internet-based interactive instruction, and 50% with the instructor in the same room as the students. Students are required to come to the classroom for the face-to-face sessions in hybrid courses. It is likely that approximately ½ of the GCU business major courses will be offered in online mode and ½ in hybrid mode.

Advising notes for students:

1. In order to be a full-time student for financial aid purposes when enrolled as a GCU student in a GCU Hazlet program, undergraduate students will need to be enrolled in at least 12 GCU credits. Students who have completed appropriate course prerequisites may choose to take courses offered at Hazlet in a different GCU program. Otherwise, students may take GCU online or Lakewood courses at the Hazlet tuition rate. If enrolled as a GCU student, students who have Brookdale courses left in their program will need to pay Brookdale directly for the courses unless students take the courses through the GCU@Hazlet Course Exchange Consortium Agreement. If enrolled as a GCU student, financial aid will be awarded and paid to students for GCU courses only, unless students take Brookdale courses through the GCU@Hazlet Course Exchange Consortium Agreement. See separate Course Exchange Consortium Agreement documents for more information. Questions

about financial aid should be referred to the GCU financial aid office (732.987.2258 – please identify yourself as a Hazlet student).

2. All requirements listed in this handout and GCU catalog MUST eventually be completed (please note in particular Brookdale and GCU major and gen ed courses, and GCU requirements for experiential learning). Students must earn at least 30 credits from GCU to graduate, even if the program of required courses offered at Hazlet does not total 30 credits. The student's GCU Registrar-issued Progress Chart shows which requirements have or have not been completed.
3. Some courses may be offered in online mode only. GCU cannot guarantee that courses will be offered on only two days per week or that the days per week will not change from semester to semester.
4. GCU Hazlet students must earn at least 48 GCU credits graded A-F to be eligible for degree honors.
