

Trends in Student Performance

All SBDM undergraduate students take the ETS Major Field Test (MFT) in Business in their senior year, and graduate students take it as a part of their capstone.

The results from 2016-17 through 2019-20 are graphed below.

The goal is for students to score within one standard deviation of the national mean (247 +/- 16). **The benchmark was achieved across the entire reporting period.**

The goal is for students to score within one standard deviation of the national mean (152 +/- 14). **The benchmark was achieved across the entire reporting period.**
